STUDENT TEACHING EXPERIENCE

River Birch Elementary School, Avon, IN – January 2021 - Present, Kindergarten

Amy Beverland Elementary School, Indianapolis, IN – August 2020 - December 2020, Third Grade

PROFESSIONAL DEVELOPMENT

STEM Day at the Children's Museum of Indianapolis

Engaged with PreK-6th grade students during STEM Day at the Children's Museum of Indianapolis by teaching about Sylvia Earle and sound underwater

Indianapolis Zoo Conservation Experience

Workshop on the resources offered and interactive educational activities for students or further professional development as an educator

Professional Learning Community Involvement

Active participation and involvement in PLC and planning during both student teaching placements

BELIEFS

I believe children are capable, open-minded, and influential.

I believe that teaching requires passion and excitement and is the most fulfilling profession.

I believe that education is nonnegotiable, empowering, and feeds everlasting growth.

Intervention Small Group Leader

Small group (four weeks) teaching ways to engage with nonfiction texts to determine the author's purpose and main idea of the text

One-on-one (six weeks) with a third-grade student and teaching skills for solving different types of math word problems

Remote Education Experience

During student teaching in the context of COVID, I gained experience with multiple types of technology and virtual tools.

Online Learning Platforms: Seesaw, Google Classroom, Canvas
Virtual Tools: Zoom, Ladibug Document Camera, Overlay
